

Reach™ Award 2018
Amanda Mather

Alexander Holburn's 2018 Reach Award is presented to Amanda Mather.

Since joining the firm in 2017, Amanda's hard work, dedication, patience and friendly demeanour, have proven just how exceptional and irreplaceable she is to both the firm and the Strata Property Practice group. Lisa Mackie describes Amanda as someone who faces this "high traffic" practice with a permanent smile on her face and a spring in her step.

Amanda's constant support was instrumental in the success of the Strata team this past year. Amanda has shown exceptional abilities and service to ensure our clients' needs are met and to help strengthen the practice.

Amanda's remarkable way with clients resulted in securing a successful payment plan from a client that had been "planning" to pay for the last several years. Additionally, Amanda was quite literally "on call" for her team during various night meetings and morning court registry runs, going above and beyond her busy desk. She has received feedback from clients on what a pleasure she is to deal with, and how "on top of it" she is with their needs.

Our firm is grateful to have someone like Amanda, whose dedication to her team, commitment to our client service plan and positive attitude, are what make her the ideal recipient for our 2018 Reach Award.
